

Dear Valued Community Member,

I am writing today in hopes for your partnership with SES PTA. Encouraging and supporting student growth is one of the most important aspects of education. The Salisbury Elementary School PTA addresses these issues through training and support of local PTA units as well as collaborations on projects and educational programs. SES PTA is continually striving to advocate, communicate and support our units with the ultimate goal of keeping parents and our community involved in our children's education.

We would like to invite you to assist us in building successful partnerships as stakeholders in school improvement, student achievement and parental involvement through a PTA Community Membership.

Not only does our group provide a voice for our community's children, we work hard to ensure these children have enriching educational experiences that they may not have otherwise. Our families are hardworking, wonderful, and the kids are even better, the staff is A...MAZ..ING.

SES PTA knows how to stretch a penny, as we work on a tight budget. Our group of 5 women, with our members, work tirelessly to raise funds for enriching activities. We spend hours cutting box tops -raising 10 cents at a time, we raffle baskets, we put on events, we sell goods, we recycle, basically, if it raises funds we do it. The funds raised directly pay for field work busses, cultural events, subscriptions, student school supplies, and so much more.

Despite what we have, we are always striving to obtain more for our children- because, as I like to say, that's the good stuff. It's the good stuff for them and providing these experiences is the stuff that fills our hearts. Every child should see a theatre production, every child should go to a museum or aquarium, every child should have a dance with their Dad or otherwise special someone, every child should have access to books and magazines, and so on- PTA funds such items. We are in the process of planning our 2022/2023 School Year Budget and in order to continue our mission, we are seeking funds to pay for these enriching activities. We would be most grateful if you would consider a supporting SES PTA through membership and or donation in any amount to contribute to funding for SES activities.

We thank you in advance for your support!

Warm regards,

Stephanie Maynard, PTA President

Laurie Buckley, Vice President

Jillian Harrison, Treasurer

Cheri Herdman, Secretary

Nikki Gates, Secretary

Your support as a business and community leader is needed and appreciated.
